

KWAN YIN

Kwan Yin is known throughout Asia as the Mother of Mercy, Compassion and Forgiveness. She is an Ascended Master and a Bodhisattva, which is a being who has reached enlightenment, but has chosen to remain in the earthly realms until all sentient beings on earth have completed their own ascension.

This is very well reflected in the meaning of Her name. "She who hearkens to the cries of the world", and the fact that She is very grateful to be called to for Her forgiveness, mercy, compassion, and healing. Kwan Yin is the Patroness of women and of birth. She offers great service to the incoming children. Her mantra is "OM MANI PADME HUM", "Behold! The Jewel in the Lotus!" 🌸

THE CO-ORIGINATORS

Kathryn Anderson and Gisèle King are the two ladies who were chosen for their degree of sincerity, commitment, integrity and devotion to bring forth the Magnified Healing® teachings. They have both worked in the field of spiritual education, healing and counselling for over 40 years and are active students of the "Keys of Enoch®" (by Dr. J.J. Hurtak).

Nowadays, while Gisèle continues to actively travel around the world, teaching all the Magnified Healing® workshops, Kathryn no longer teaches, however she remains fully present with her continued support and insights in bringing forth these sacred teachings. 🌸

YOUR MASTER TEACHER

Magnified Healing®

Magnified Healing®

Magnified Healing® of the GOD MOST HIGH OF THE UNIVERSE is a high dimensional frequency healing modality that was brought forth under the intervention and inspiration of Lady Master Kwan Yin for the spiritual advancement of humanity and the earth. It establishes a constant flow of energy from one's heart to the Source, the God Most High of the Universe, and down to the diamond at the center of the earth. This link awakens in the person a deep and profound yearning to remember and reunite with the God-Self within, and it is this yearning that initiates the person's ascension process.

Magnified Healing® is a gift of grace and unconditional love from God to humanity. Its cores are the co-creation with God of the Magnified Healing energy and the initiate becoming this energy, rather than channeling it.

The Magnified Healing® teachings are made up of two healing modalities - 1st Phase and 3rd Phase workshops; a Celebration workshop and Ceremony; and a 3rd Phase Teacher Training workshop. 🌿

1ST PHASE MASTER TEACHER

Through breath, sound and movement, the 1st Phase of Magnified Healing® deeply and actively engages the person who practices it (but also the person who receives a healing) in the process. It is offered as a full two-day workshop, in which the students who fulfill the prerequisites of a basic knowledge and understanding of

the I AM Presence, the Tree-Fold Flame, the Violet Fire, the Hierarchy, and of the Ascension process, will learn the 1st Phase healing technique to use on themselves, others, in absence, and for the earth. The students will receive an Initiation with a flower essence that seals the energies received and co-created during the workshop into perfect synthesis. After an 11-day empowerment practice following the initiation, the teacher is empowered and authorized to teach the process anywhere in the world. 🌿

CELEBRATION WORKSHOP & CEREMONY. TEACHER - DIRECTOR

This is a one-day, two-part workshop (a class and a ceremony) available to all Magnified Healing® initiates. In class, participants will learn all the phases of the celebration that they will then initiate. The beautiful healing ceremony that follows is open to the general public (except children under 14 years of age). Kwan Yin brought it forth with the intent to create a joyous, informal and yet sacred space. Anyone who wishes to experience the gentle Magnified Healing energy and receive a healing is welcome. 🌿

3RD PHASE 'LIGHT HEALING' PRACTITIONER

Brought forth through the inspiration of the Holy Spirit and the guidance of Lady Master Kwan Yin, this is a more advanced healing system in which, through the expansion, intensification and elevation to cosmic vibrational frequency of the energies of the 1st Phase, and

through the activation of the Seven-Fold Flame of the Elohim and of the Violet Fire, participants are able to co-create two laser light rays to be used to heal and reprogram the body to enable it to ultimately become a Body of Light.

Third Phase 'Light Healing' draws the energy and wisdom of Lord Archangel Melchizedek, the Eternal Lord of Light, in charge of preparing humanity's evolution into higher states of consciousness, so as to re-establish the Kingdom of God in our universe.

Third Phase is offered as a full two-day workshop at the end of which participants will experience a sacred Initiation.

Pre-requisites are: having been initiated into the 1st Phase and having practiced it with integrity and perseverance for at least four months prior to taking the workshop. Additionally, participants are required to practice 1st Phase for 11 consecutive days in preparation for 3rd Phase. 🌿

3RD PHASE 'LIGHT HEALING' MASTER TEACHER

This workshop prepares 3rd Phase practitioners to be 3rd Phase 'Light Healing' Master-Teachers. It is a 3 1/2 to 4 day workshop, and it is on a request and invitation basis only. Pre-requisites are: having been initiated into 3rd Phase for Practitioners at least six months prior to taking the Teacher Training workshop, and, in that time, having taught 1st Phase. This workshop is taught by Rev. Gisèle King or one of the Grand Master-Teachers of the 3rd Phase 'Light Healing' Teacher Training workshop appointed by her. 🌿
